KENDİ BAĞLARIMIZDAN FROM OUR OWN VINEYARD

Yaşasın, Vinkara bağlarının yer aldığı Kalecik Bölgesi'nin yerel üzümü olan Kalecik Karası'ndan dünya çapında en yüksek kalitedeki köpüren şarapları elde etmek için tercih edilen "Geleneksel Metot" (Methode Traditionnelle) yöntemiyle doğal köpüren beyaz şarap ve pembe şarap olarak üretilmektedir.

Yaşasın Beyaz Köpüklü Şarabımız Fransa'da düzenlenen ve dünyanın en prestijli şampanya yarışması olarak kabul edilen EFFERVESCENTS DU MONDE'de ALTIN madalyaya layık görülmüştür.

Yaşasın is the first natural sparkling wine produced in Turkey using the "Traditional Method" (Methode Traditionnelle), a commonly preferred method for the production of top quality sparkling wines worldwide. Yaşasın was produced with Kalecik Karası grapes harvested at Vinkaras vineyards in the Kalecik region and processed as a white wine (blanc de noirs) and rose wine.

Our Yaşasın White Sparkling Wine has been granted the GOLD medal at EFFERVESCENTS DU MONDE, which is organized in France and accepted as the most prestigious champagne competition of the world.
